22.	To receive and consider a proposed order for designated parking places for electric vehicle charging on Highfield Road and Market Road,		

	<p>Thrapston and submit comments to Northamptonshire County Council</p> <p>Resolved to respond to the proposal with the following comments:-</p> <p>Strong objection to the locations proposed. The Town Council requires sight of the supply and demand analysis, the Highway's plan going forward, the safety criteria and any criteria as to where and why such charging points should be located. Further, have these sites been assessed on a safety perspective and are these sites perceived to be in a sustainable location for pedestrian travel?</p> <p>Highways need to show the justification for these sites which we believe to be dangerous highway positioning being close to junctions. The sites identified serve no logical purpose.</p>	Submit comments	Clerk
23.	<p>Clerk's report (for noting)</p> <p>None.</p>		
24.	<p>Chairman's Comments</p> <p>The Chairman thanked everyone for attending and thanks to Cllr Worley for his input.</p>
