7.	<p>To discuss the location of the dog waste bin on Council owned land at Nine Arches Way, consider objections and decide how to proceed.</p> <p>Resolved that the dog waste bin is placed on the pathway close to but opposite the children's play area making it easily accessible for dog walkers which will stop dog waste being put in the general rubbish bin inside the children's play area. The location of the bin is sufficiently far enough away from properties and the railings and trees along with the bin being green instead of red will lessen the visual impact. Residents who expressed concerns will be advised of the outcome.</p>	Notify Environmental Health team and Residents	Assistant Clerk
